Subj: DONATION IN SUPPORT OF THE WOUNDED WARRIOR UMPIRE ACADEMY

1. The Wounded Warrior Umpire Academy's mission is to provide instruction, training, placement and peer to peer support for military veterans interested in baseball. In many cases, warriors have to medically retire from the service abruptly with no transition plans. We offer these warriors the opportunity to feel like they belong again, to be part of yet another organization in the service of others: our nation's youth through the sport of baseball.

2. Your support is critical to our success. Donations both monetary and "in-kind" are greatly appreciated and help to support our mission. We would be honored to place you on our list of donors and let these heroes know how much you care.

3. We are all volunteers called to serve these warriors who have served us. I am very pleased to have you as a part of this awesome mission.
