

SERVING

Your Community Together

LEGACY CAMP

Who

This camp is for a WWUA alumni and their loved one so they can work together in their communities. One of Greg's greatest pleasures on the ballfield is having the opportunity to work with his son, Justin. We want everyone to have that experience.

Registration is open for children 11+, spouses, parents, or someone else you want to share this experience with.

Where

This camp will take place in Daytona Beach, FL. Attendees will stay at the Quailty Inn Daytona Beach Ocean Front, just blocks away from our classroom sessions and within a couple of miles from the fields. We are excited to share our "home" with all of you!

When and What

- This camp will teach the very basics of umpiring for your loved one with your help! They will experience classtime, field drills, cage time, and an opportunity to bond.

There will not be live games for this camp but we will begin with a evening get together on Sunday June 25 and end with a graduation after lunch on Friday June 30
